

5 Star Soccer Elite Camps

Yorkville, Bristol Bay 50 Fields

July 16-20, 2018 1:00pm - 4:00pm (Boys | Girls ages 7 through HS)

The 5 Star Soccer Elite Camp program provides an environment for the youth player that is looking to advance their game to a more competitive level. The Elite Camp curriculum, presented by an exceptional staff of coaches, takes the same benefits of our half day camps and expands its reach to those who want more. The four components of the game are addressed through technical, tactical, physical and psychosocial applications. This camp setting is ideal for the youth player who aspires to further their development within a club/travel team environment!

“I send both my children to 5 Star because of the obvious technical talents of the coaching staff - my boys gain something every time they go. However, I have found that the culture at the camps - one of inclusion and service to others while getting excellent instruction - is unlike any other out there. Kids are getting better and learning to love the game while engaging in RESPECTFUL competition. That is unique to this program.” K. Landorf – Naperville
